Assignment 2: All About Color

Due: **Sep 9th 2018 by 7pm**

Turn in: One horizontal color tif image 8x15in

*"Your attitude is like a box of crayons that color your world.
Constantly color your picture gray, and your picture will always be bleak.
Try adding some bright colors to the picture by including humor,
and your picture begins to lighten up" Allen Klein*

This assignment is all about color! The more color the better. **Everything** in your image is to be in **sharp focus**. The subject matter is up to you. This is a wide horizontal format so pay close attention to your subject when you compose your image. Crop your image to 8x15 inches. Remember to crop or retouch out any distracting elements.

Your final image is to be 8x15in wide at 8 bits/per channel at 300ppi, save as a tiff with LZW compression. The file size will be between 10 & 12MB. This size file can be emailed to me without any problems.

Your image file name will look like this: 1-firstname_lastname-filenumber.tiff (pay close attention to the hyphens & underscores and use only the last 4 file numbers your camera gives you)

Please note if your image is out of focus it will be a minus 3 points.

Not labeling you file properly is minus 1 point

This assignment is due the night before class by 7pm. The address to email the assignment is **gene.sasse@gmail.com**. If you have questions my phone number is 909-941-3993 or you can email me at gene@genesasse.com.
