**Assignment:** Final Project

**Due:** Dec 3rd

**Images to turn in:** 1 Booklet

"Dreams are illustrations from the book  
your soul is writing about you" - **Marsha Norman**

Your final project is to create a booklet with 15 images and 15 quotes on velum. Pick a theme of your choice and use the quotes to tie the images together. The booklet is 8.5x11 in size and either horizontal or vertical format. The booklet is to include a cover, introduction and your bio at the back of the booklet.

Your quotes are to be printed on velum placed before your image so you can see your images behind the text. Use spiral binding to finish your booklet.
