Assignment 11: Portrait | Photoshop

Due: May 4th

Format: Digital & Print | Color

" Every man's work, whether it be literature,
or music or pictures or architecture or anything else,
is always a portrait of himself."

Samuel Butler

This assignment is to create a composite portrait 22"x32" image in photoshop on 24"x34" paper. This assignment can be either horizontal or vertical. You're welcome to use images and elements from your library.
