Assignment 6: Portrait | Fantasy

Due: Mar 30th

Format: Digital & Print | Color

"In a portrait, you have room to have a point of view.
The image may not be literally what's going on,
but it's representative" **Annie Leibovitz**

This assignment is to create a fantasy portrait. Find a model that fits your fantasy concept. Select the time of day and or lighting style that enhances your subject. Think about using smoke bombs, fog machine, fire or fireworks.

You may want work with an assistant to help with arranging your subject. Each person should use their own models location and concept.

After you selected your image, use photoshop to fine tune your final image.
Make a 20"x24" print with the wide border 22" long
