Assignment:6 Flip Composite

Due: Oct 1st 2024

Format: Digital & Print | Color

*"There is only you and your camera.
The limitations in your photography are in yourself,
for what we see is what we are"*

—Ernst Haas

This assignment is to photograph a subject that will make an interesting composite using only one square image. After processing the image, make a copy and flip the image horizontally and then put them together in the center creating a mirror image. Select those two images and then flip them vertically

This is a color assignment, square format. The image will be 22"x22" on 24"x24" paper.
